

# Washingtonian Woods HOA Approved Roof Shingles For Alfandre Homes

## Manufacturer and Color Choices

NOTE: An Architectural Change Application is REQUIRED for all re-roofing projects. Fines will result in work begun without HOA Board Approval.  
Thank you.

Mountain, Tahoe, or Weathered Gray

**DaVinci Composite Single-Width Shake Shingles: Mountain**

Mountain, Tahoe, or Weathered Gray

**Brava Synthetic Cedar Shake Shingles**

Colors are Aged or Natural  
(No Staggered Coursing)

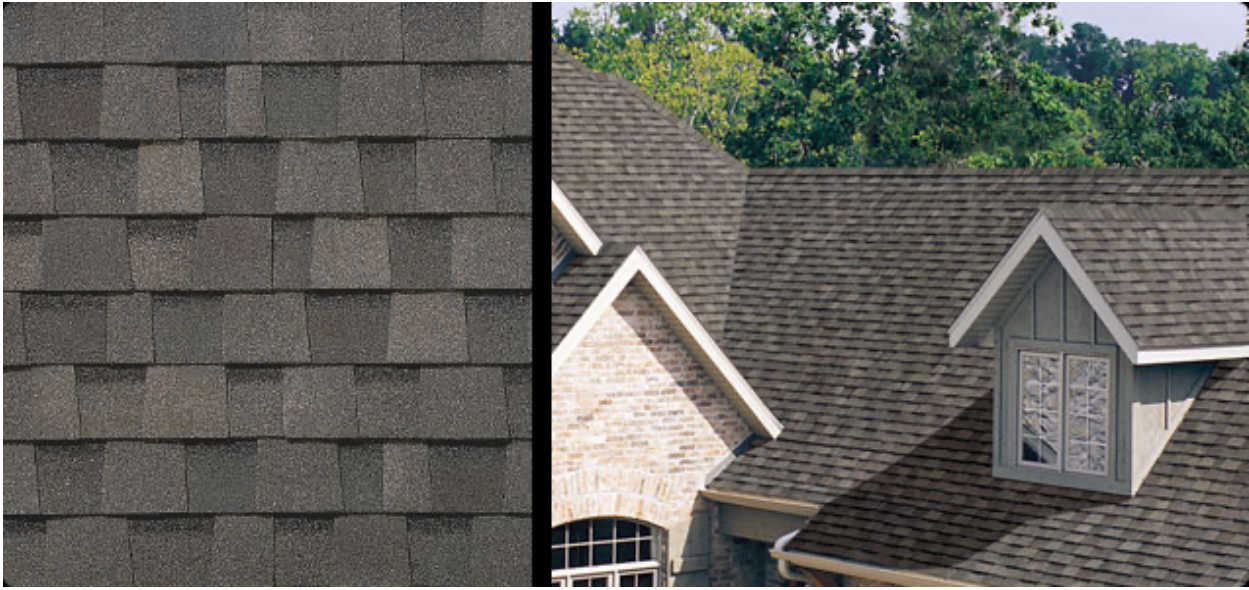

**Aged**  
Aged Cedar is a coveted material, but takes hundreds of years to grow. Thankfully, we've been able to channel the rich, deep shades present in old-growth cedar and make them even more accessible.  
**See Projects with this Color** →

**Natural**  
With this combination of lighter browns and charcoal, Natural Cedar speaks for itself, bringing the beauty of nature straight to your home.
